

# Joseph R. Lynch, MD, FAOA

8854 W Emerald Street, Suite 102  
Boise, Idaho 83704

Email: [lynch@post.harvard.edu](mailto:lynch@post.harvard.edu)  
(208) 323 4747

The Shoulder Clinic of Idaho  
Affiliate Faculty, Idaho State University  
Former Associate Professor of Surgery  
Uniformed Services University of the Health Sciences  
Fellow American Orthopaedic Association  
Board-Certified Orthopedic Surgeon, Fellowship-Trained, Shoulder & Elbow Surgery  
Certificate of Added Qualification Sports Medicine

## EDUCATION

### UNIVERSITY OF WASHINGTON

2002 – 2008  
Seattle, WA

- **Fellowship:** Shoulder & Elbow Surgery  
- Department of Orthopedics & Sports Medicine (2007-2008)
- **Residency:** Orthopedic Surgery  
- Department of Orthopedics & Sports Medicine (2003-2007)
- **Internship:** General Surgery  
- Department of General Surgery (2002-2003)
- **Honors:**
  - Frank B. Smith Resident Research Award, 2003
  - Orthopedic Rehabilitation Association Research Award, 2005
  - Frank B. Smith Resident Research Award, 2005
  - American Journal of Orthopedics Resident Writer's Award, 2006
  - Victor Frankel Basic Science Research Award, 2006
  - Frank B. Smith Resident Research Award, 2006
  - Ruth Jackson Orthopedic Society Resident Research Award, 2007
  - Esther Whiting Research Award, 2007
  - Victor Frankel Basic Science Research Award, 2007

### OREGON HEALTH SCIENCES UNIVERSITY

1998 – 2002  
Portland, OR

- **Degree:** M.D., *Summa Cum Laude*
- **GPA:** 4.00

## EDUCATION (continued)

### OREGON HEALTH SCIENCES UNIVERSITY

1998 – 2002  
Portland, OR

- **Activities/Organizations:**
  - AOA, OHSU Chapter, Vice President
  - OHSU Alumni Association Executive Board, Board Member
  - Oregon Medical Association Board of Trustees, Board Member
  - Military Medical Student Association, OHSU Chapter, Founder & President
  - Armed Forces Health Professions Scholarship Program, Lieutenant, MC, USNR
- **Honors:**
  - Junior AOA
  - Gerlinger Research Award
  - OHSU Academic Excellence Award
  - Robert F. Miller Foundation Award
  - Merck Award for Academic Excellence
  - Dean's Recognition Award

### HARVARD UNIVERSITY

1994 – 1998  
Cambridge, MA

- **Degree:** A.B., *Magna Cum Laude* with High Honors
  - Environmental Science & Public Policy
- **GPA:** 3.72
- **Activities/Organizations:**
  - Varsity Football (Division I-AA): Free-safety & cornerback
  - ARTS First Executive Board: Student-athlete & ROTC representative
- **Honors:**
  - John Harvard Scholar of Highest Academic Achievement Award
  - Harvard College Scholar Award
  - Harvard Faculty of Arts and Sciences Scholar Award
  - Blumberg Creative Science Award

## EDUCATION (continued)

### MASSACHUSETTS INSTITUTE OF TECHNOLOGY

1994 – 1998  
Cambridge, MA

- **Course of Study:** Naval Science
- **GPA:** 3.90
- **Naval Reserve Officers Training Corps – Offices held:**
  - Battalion Executive Officer, 1998  
Commanded 150 midshipmen from MIT/Harvard/Tufts NROTC Consortium
  - Academic Officer, 1997
  - Recruiting Officer, 1996
  - Assistant Operations Officer, 1995
- **Honors:**
  - Naval ROTC Admiral’s Scholar
  - American Legion Award for Academic Excellence
  - NROTC Performance Award
  - Navy League of the United States – Most Outstanding Midshipman

## LICENSURE

- **Medical Licensure:** Unrestricted, physician and surgeon
  - MD00047517 (Washington)
  - MD150231 (Oregon)
  - M-12678 (Idaho)
  - C130493 (California – retired 4/14/16)

## CERTIFICATION

- **American Board of Orthopaedic Surgery:** Sports Medicine
  - Certificate of Added Qualification (CAQ) in Sports Medicine
  - Sports Subspecialty Examination (October 2013) = 98 (percentile)

**CERTIFICATION**  
(continued)

- **American Board of Orthopaedic Surgery:** Orthopedic Surgery
  - Part 1 (July 2007) = Passed; 249 (raw score); 99 (percentile)
  - Part 2 (July 2010) = Passed; (numerical scores not given)
  
- **U.S. Medical Licensing Examination:** Passed
  - Step 1 (June 2000) = 257 (raw score); 99 (percentile)
  - Step 2 (Sept 2001) = 255 (raw score); 96 (percentile)
  - Step 3 (June 2003) = 241 (raw score); 97 (percentile)

**PROFESSIONAL DEVELOPMENT & CERTIFICATION COURSES**

- Basic Life Support, 2016
- AOA Emerging Leaders Program, 2013
- Combat Extremity Surgical Course, 2011
- AOA Emerging Leaders Program, 2010
- AAOS/OREF/ORS Clinician Scientist Development Program, 2006
- AOA/OREF Resident Leadership Forum, 2006
- AO ASIF Basic Trauma Course, 2005
- Advanced Cardiac Life Support, 2002

**HOSPITAL PRIVILEGES**

- |                 |   |   |
|-----------------|---|---|
| 2016 – Present  | • | <b>Treasure Valley Hospital.</b> Boise, Idaho   |
| 2016 – Present  | • | <b>St. Luke’s Health System.</b> Meridian, Idaho.   |
| 2016 – Present  | • | <b>Saint Alphonsus Regional Medical Center.</b> Boise, Idaho.                             |
| 2/2016 – 6/2016 | • | <b>Naval Hospital Camp Pendleton.</b> Department of Orthopaedics, Oceanside, California.  |
| 2011 – 2016     | • | <b>Naval Medical Center San Diego.</b> Department of Orthopaedics, San Diego, California. |
| 2011 – 2016     | • | <b>Oasis Surgery Center.</b> San Diego, California.                                       |

## HOSPITAL PRIVILEGES

(continued)

- 2011 – 2016 • **San Diego Sports and Minimally Invasive (SMI) Surgery Center.** San Diego, California.
- 2012 – 2013 • **Landstuhl Regional Medical Center.** Department of Orthopaedics, Landstuhl, Germany.
- 2008 – 2011 • **Naval Hospital Bremerton.** Department of Orthopaedics, Bremerton, Washington.
- 2009 & 2011 • **Naval Hospital Oak Harbor.** Visiting staff surgeon, Department of Orthopaedics, Oak Harbor, Washington.
- 2002 – 2008 • **University of Washington Medical Center.** Department of Orthopaedics & Sports Medicine, Seattle, Washington.

## FACULTY APPOINTMENTS

- 2017 – Present • **Affiliate Faculty.** Physician assistant studies, Idaho State University, Pocatello, Idaho.
- 2016 – 2018 • **Associate Professor of Surgery.** Department of Surgery, Uniformed Services University of the Health Sciences (USUHS), Bethesda, Maryland.
- 2013 – 2016 • **Director.** Division of Sports Medicine & Shoulder Surgery. Department of Orthopaedics, Naval Medical Center San Diego, San Diego, California.
- 2014 – 2016 • **Voluntary Assistant Clinical Professor.** Department of Orthopaedic Surgery, University of California, San Diego, Health Sciences, San Diego Califro
- 2011 – 2015 • **Assistant Professor of Surgery.** Department of Surgery, Uniformed Services University of the Health Sciences (USUHS), Bethesda, Maryland.
- 2/2012 – 7/2012 • **Interim Director.** Division of Sports Medicine & Shoulder Surgery. Department of Orthopaedics, Naval Medical Center San Diego, San Diego, California.

## FACULTY APPOINTMENTS

(continued)

- 2009 – 2012 • **Affiliate Instructor.** Department of Orthopaedics & Sports Medicine, University of Washington School of Medicine, Seattle, Washington.
- 2009 – 2011 • **Orthopaedic GME Coordinator.** Family Practice Residency Program, Naval Hospital Bremerton.
- 2007 – 2008 • **Acting Instructor.** Department of Orthopaedics & Sports Medicine, University of Washington School of Medicine, Seattle, Washington.

## COMMITTEE APPOINTMENTS

- 2016 – Present • **American Shoulder and Elbow Surgeons**  
- Education Committee
- 2012 – 2016 • **Patient Relations Advisory Board**  
- Surgical Services Representative & Board Member  
- Naval Medical Center San Diego, San Diego, CA.
- 2009 – 2011 • **Medical Records Committee**  
- Chairman  
- Naval Hospital Bremerton, Bremerton, Washington.
- 2009 – 2011 • **Executive Committee of the Medical Staff**  
- Surgical Services Representative & Board Member  
- Naval Hospital Bremerton, Bremerton, Washington.
- 2009 – 2011 • **Graduate Medical Education Committee**  
- Orthopaedic GME Coordinator & Board Member  
- Family Practice Residency Program, Naval Hospital Bremerton, Bremerton, Washington.

## EDITORIAL/REVIEWER ACTIVITIES

- 2015 – Present • **Journal of Shoulder and Elbow Surgery:** Active reviewer
- 2014 – Present • **American Journal of Sports Medicine:** Active reviewer

## EDITORIAL/REVIEWER ACTIVITIES

(continued)

- 2012 – Present • **Orthopedics:** Active reviewer
- 2010 – Present • **Clinical Orthopaedics & Related Research:** Active reviewer

## COURSE FACULTY

- June 20-23, 2018 • **San Diego Shoulder Institute’s 35<sup>rd</sup> Annual Meeting**  
San Diego, CA  
- Faculty Instructor
  - Arthroscopic skills session, 20 June 2018
  - Lab faculty assist, 22 June 2018
  - Assessor SCOI row, 22 June 2018
- April 20-21, 2018 • **Fellows Bioskills Course: Continuum of Care in the**  
Scottsdale, AZ  
**Shoulder. Zimmer Biomet.**  
- Faculty Instructor: Sports Medicine Upper Extremity
  - “Impingement syndrome: A spectrum of disease”
  - “Shoulder instability: The essentials”
- October 13-14, 2017 • **AOSSM Surgical Skills Course The Cutting Edge 2017:**  
Rosemont, IL  
**Arthroscopic and Open Techniques in the Athlete’s Shoulder**  
- Faculty Instructor
  - “Iliac crest reconstruction of the shoulder”, 13 October 2017
  - Panel member: “Cases in the Shoulder that taught me something”, 14 October 2017
- June 22-25, 2016 • **San Diego Shoulder Institute’s 33<sup>rd</sup> Annual Meeting**  
San Diego, CA  
- Faculty Instructor
  - Arthroscopic skills session, 22 June 2016
  - “FAST” system knot tying evaluation, 23 June 2016
  - Arthroscopy/Latarjet cadaver lab, 24 June 2016
- October 5-7, 2015 • **British Orthopaedic Association Travelling Fellow Host -**  
San Diego, CA  
**Jeremy Granville-Chapman, MBBS, MD, FRCS (Tr&Ortho)**  
- Host 2015 BOA Ram Kumar Chatterjee upper extremity fellow
  - Coordinated shoulder arthroplasty cadaveric lab, clinical and operative experience concerning primary and revision shoulder cases, and didactic lectures regarding the same.

## COURSE FACULTY

(continued)

- June 17-20, 2015  
San Diego, CA • **San Diego Shoulder Institute's 32<sup>nd</sup> Annual Meeting**
  - Faculty Instructor
  - Arthroscopic skills session, 17 June 2015
  - Arthroscopy/Latarjet cadaver lab, 19 June 2015
  - Personalized instructional cadaver lab float, 19 June 2015
  
- February 06, 2015  
San Diego, CA • **Thirty-second Annual Malcolm B. Coutts Visiting Professorship, San Diego Orthopaedic Society**
  - Panel Member
  - Session II – Sports injuries
  
- June 18-21, 2014  
San Diego, CA • **San Diego Shoulder Institute's 31<sup>st</sup> Annual Meeting**
  - Faculty Instructor
  - Arthroscopic cadaver lab, 20 June 2014
  
- January 24, 2014  
San Diego, CA • **Thirty-first Annual Malcolm B. Coutts Visiting Professorship, San Diego Orthopaedic Society**
  - Panel Member
  - What's new in Sports Medicine: ACL, rotator cuff, & concussion
  
- June 12-15, 2013  
San Diego, CA • **San Diego Shoulder Institute's 30<sup>th</sup> Annual Meeting**
  - Faculty Instructor
  - Arthroscopic cadaver lab, 14 June 2013
  - Arthroplasty cadaver lab, 14 June 2013
  
- June 20-23, 2012  
San Diego, CA • **San Diego Shoulder Institute's 29<sup>th</sup> Annual Meeting**
  - Faculty Instructor
  - Arthroscopic skills lab, 20 June 2012
  - Arthroscopy cadaver lab, 22 June 2012
  - Arthroplasty cadaver lab, 22 June 2012
  - Arthroplasty cadaver lab, 23 June 2012
  
- May 16, 2012  
San Diego, CA • **NMCSD/UCSD Resident Research Symposium**
  - Program Chairman
  
- Dec 13 - 16, 2011  
San Diego, CA • **Society of Military Orthopaedic Surgeons, 53<sup>rd</sup> Annual Meeting**
  - Moderator, Instructional Course Lecture
  - What's the latest and greatest: Optimizing surgical outcomes in the elite warrior through surgical techniques and technology.

## COURSE FACULTY

(continued)

- Dec 13 - 16, 2011 • **Society of Military Orthopaedic Surgeons, 53<sup>rd</sup> Annual Meeting**  
San Diego, CA
  - Moderator, General Scientific Session: Sports & upper extremity.
  - Moderator, Instructional Course Lecture
    - A joint like no other: Diagnosis and challenges of common problems in elbow surgery.
- Sept 26 - 30, 2010 • **2010 ABC Arthroscopy Workshop**  
Tracy, CA
  - Course Instructor
  - Department of Orthopaedics & Sports Medicine, University of Washington.

## PEER-REVIEWED PRESENTATIONS

(lead author is presenting author)

- Dec 12-16, 2016  
Olympic Valley, CA
- Provencher MT, McNeil JW, Beaulieu-Jones BR, Bernhardson AS, LeClere LE, Dewing CB, **Lynch JR**, Sanchez G, Gross D. Classification and analysis of attritional glenoid bone loss in recurrent anterior shoulder instability. **Presentation:** Society of Military Orthopaedic Surgeons 58th Annual Meeting.
- April 14-16, 2016  
Boston, MA
- McDonald LS, Waltz RA, Carney JR, Dewing CB, **Lynch JR**, Asher DB, Schuett DJ, LeClere LE. Anterior cruciate ligament deficiency does not affect stress radiograph validity in posteriolateral corner knee injuries. **Presentation:** Arthroscopy Association of North America 35<sup>th</sup> Annual Meeting.
- April 14-16, 2016  
Boston, MA
- Provencher MT, McNeil JW, Beaulieu-Jones BR, Bernhardson AS, LeClere LE, Dewing CB, **Lynch JR**, Sanchez G, Gross D. Classification and analysis of attritional glenoid bone loss in recurrent anterior shoulder instability. **Presentation:** Arthroscopy Association of North America 35<sup>th</sup> Annual Meeting.

## PEER-REVIEWED PRESENTATIONS

(continued)

- June 24-27, 2015  
Providence, RI
- McDonald LS, Waltz RA, Carney JR, Dewing CB, **Lynch JR**, Asher DB, Schuett DJ, LeClere LE. Anterior cruciate ligament deficiency does not affect stress radiograph validity in posteriolateral corner knee injuries. **Poster Presentation:** 128<sup>th</sup> Annual Meeting, American Orthopaedic Association.
- April 15, 2015  
San Diego, CA
- McDonald LS, Waltz RA, Carney JR, Dewing CB, **Lynch JR**, Asher DB, Schuett DJ, LeClere LE. Anterior cruciate ligament deficiency does not affect stress radiograph validity in posteriolateral corner knee injuries. **Presentation:** Navy Medicine West Academic Research Competition.
- Dec 15-19, 2014  
Scottsdale, Arizona
- McDonald L, Waltz R, Carney, J, LeClere L, Dewing CB, **Lynch JR**, Asher D, Schuett D. Anterior cruciate ligament deficiency does not affect stress radiograph validity in posterior lateral corner injuries **Podium Presentation:** 56<sup>th</sup> Annual Meeting, Society of Military Orthopedic Surgeons.
- July 10-13, 2014  
Seattle, Washington
- Provencher MT, McNeil JW, Bernhardson A, LeClere L, Dewing CB, **Lynch JR**, Gaston T. Classifying glenoid bone loss: Severity and attrition. Is there enough bone to reconstruct the glenoid? **Podium Presentation:** 2014 Annual Meeting, The American Orthopaedic Society for Sports Medicine.
- May 1-3, 2014  
Hollywood, Florida
- McNeil JW, Bernhardson A, LeClere L, Dewing CB, **Lynch JR**, Golijanin P, Gross D, Provencher MT. Comprehensive classification of glenoid bone loss and analysis of risk factors based on type of attritional bone loss. **Poster Presentation:** 2014 Annual Meeting, Arthroscopy Association of North America.
- Dec 13-17, 2013  
Vail, Colorado
- McNeil JW, Bernhardson A, LeClere L, Dewing CB, **Lynch JR**, Golijanin P, Gross D, Provencher MT. Classification of attritional glenoid bone loss: Is there enough bone to reconstruct the glenoid? **Podium Presentation:** 55<sup>th</sup> Annual Meeting, Society of Military Orthopedic Surgeons.
- June 5-8, 2010  
San Diego, CA
- **Lynch JR**, Zlomislic V, Clinton JM, Huber P, Warme WJ, Matsen. FA. Arm position impacts suture tension in subscapularis repair: A biomechanical analysis. **Poster Presentation:** 123<sup>rd</sup> Annual Meeting, American Orthopaedic Association.

## PEER-REVIEWED PRESENTATIONS

(continued)

- February 25-28, 2009 •  
Las Vegas, NV
- Scheffel PT, Clinton JM, **Lynch JR**, Warme WJ, Matsen FA. Characteristics of chondrolysis associated with intra-articular pain-pumps after shoulder surgery. **Podium Presentation:** 76<sup>th</sup> Annual Meeting of the American Academy of Orthopaedic Surgeons.
- February 25-28, 2009 •  
Las Vegas, NV
- Olson SL, Clinton JM, Working Z, **Lynch JR**, Marong S, Warme WJ, Matsen FA. Glenoid reaming in shoulder arthroplasty can increase bone temperatures to lethal levels *in vivo*. **Poster Presentation:** 76<sup>th</sup> Annual Meeting of the American Academy of Orthopaedic Surgeons.
- February 25-28, 2009 •  
Las Vegas, NV
- Zlomislic V, **Lynch JR**, Clinton JM, Huber P, Warme WJ, Matsen FA. Repair site and arm position impact suture tension in subscapularis repair: A biomechanical analysis. **Poster Presentation:** 76<sup>th</sup> Annual Meeting of the American Academy of Orthopaedic Surgeons.
- February 16, 2007 •  
San Diego, CA
- Lynch JR**, Schmale GS, Schaad DC, Leopold SS. Musculoskeletal knowledge and confidence of academic primary care physicians. **Podium Presentation:** Ruth Jackson Orthopaedic Society Annual Meeting held in concert with Annual Meeting of the AAOS. **RJOS Resident Research Award Paper.**
- February 14-18, 2007 •  
San Diego, CA
- Lynch JR**, Taitzman LA, Barei DP, Nork SE. Important patient variables increase odds of femoral diaphyseal nonunion following medullary nailing. **Podium Presentation:** 74<sup>th</sup> Annual Meeting of the American Academy of Orthopaedic Surgeons.
- February 14-18, 2007 •  
San Diego, CA
- Lynch JR**, Cunningham MC, Warme WJ, Wolf FM, Leopold SS. Industry-funded and US research more apt to be published; good-quality negative studies are not. **Podium Presentation:** 74<sup>th</sup> Annual Meeting of the American Academy of Orthopaedic Surgeons.
- October 5-7, 2006 •  
Phoenix, AZ
- Taitzman LA, **Lynch JR**, Barei DP, Nork SE. Risk factors associated with femoral nonunion following closed medullary nailing. **Poster Presentation:** Orthopaedic Trauma Association Annual Meeting.
- Sept. 15-18, 2006 •  
Stevenson, WA
- Lynch JR**, Cunningham MC, Warme WJ, Wolf FM, Leopold SS. Industry-funded and US research more apt to be published; good-quality negative studies are not. **Podium Presentation:** 81<sup>st</sup> Annual Meeting, North Pacific Orthopaedic Society. **Frank B. Smith Research Award Paper.**

## PEER-REVIEWED PRESENTATIONS

(continued)

- June 21-25, 2006  
San Antonio, TX • **Lynch JR**, Schmale GA, Schaad DC, Leopold SS. Important demographic variables impact musculoskeletal knowledge and confidence of academic primary care physicians: **Special Emphasis Poster Presentation**: 119<sup>th</sup> Annual Meeting, American Orthopaedic Association.
- June 21-25, 2006  
San Antonio, TX • **Lynch JR**, Matsen FA, Clinton JM. Ream and run – Avoiding the risks of polyethylene in shoulder arthroplasty: **Poster Presentation**: 119<sup>th</sup> Annual Meeting, American Orthopaedic Association.
- March 22-26, 2006  
Chicago, IL • **Lynch JR**, Franta A, Montgomery WH, Lenters TR, Matsen FA. Functional recovery following humeral hemiarthroplasty with non-prosthetic glenoid arthroplasty. **Podium Presentation**: 73<sup>rd</sup> Annual Meeting of the American Academy of Orthopaedic Surgeons
- Sept. 15-18, 2005  
Spokane, WA • **Lynch JR**, Schmale GA, Schaad DC, Leopold SS. Musculoskeletal competence of primary care physicians: **Podium Presentation**: 80<sup>th</sup> Annual Meeting, North Pacific Orthopaedic Society. **Frank B. Smith Resident Research Award Paper**.
- Sept. 16-17, 2005  
Seattle, WA • **Lynch JR**, Parsons RR, Gardner GC. Musculoskeletal workload vs. musculoskeletal clinical confidence among primary care Physicians: **Podium Presentation**: 16<sup>th</sup> Annual Meeting, Orthopaedic Rehabilitation Association. **Vernon Nickle Award Paper**.
- August 14-17, 2003  
Seattle, WA • **Lynch JR**, Parsons RR, Gardner GC. The prevalence of musculoskeletal problems in rural practice and relative confidence of primary care physicians: **Podium Presentation**: 78<sup>th</sup> Annual Meeting, North Pacific Orthopaedic Society. **Frank B. Smith Resident Research Award Paper**.
- August 22-25, 2002  
Portland, OR • Reid JB, **Lynch JR**, Colville MR, Motamedi AR. Injury pattern in skiers and snowboarders – A retrospective review from a large northwestern ski resort: **Podium Presentation**: 77<sup>th</sup> Annual Meeting, North Pacific Orthopaedic Society.
- Sept. 14-17, 2000  
Blaine, WA • Reid J, Brenneke S, Herzberg A, **Lynch J**. Biomechanical evaluation of anatomic bankart repair. **Podium Presentation**: 75<sup>th</sup> Annual Meeting, North Pacific Orthopaedic Society.

## PEER-REVIEWED PRESENTATIONS

*(continued)*

- February 9-12, 2000 • Freiss M, **Lynch JR**, Altenburg AJ, Jackman TE, Tatsumi R, Gulati R, Fiamengo S. Residual paralysis in the post-anesthesia care unit in patients receiving neuromuscular blocking agents intraoperatively. **Podium Presentation:** American Federation of Medical Research, Western Medical Research Forum, Carmel, California.
- May 6-7, 1998 • **Lynch JR**, Hulina S, Maguire JH. A prospective and spatial study of cutaneous leishmaniasis in northeastern Brazil (Baturite, Ceara State). **Podium Presentation:** Committee on degrees in Environmental Science & Public Policy, Harvard College and Harvard University School of Public Health.

## INVITED LECTURES

- April 20, 2018 • “Shoulder Pain: A simplified approach to a common problem. Saint Alphonsus Spring Education Symposium.  
Boise, ID
- October 27, 2016 • “Shoulder Instability: Diagnosis and management.”  
Boise, ID Idaho Industrial Commission’s Annual Worker’s Compensation Seminar.
- September 9, 2016 • “Rotator Cuff Tears – Acute, chronic, and somewhere in  
Meridian, ID between.” As part of a symposium hosted by Intermountain Physical Therapy: Rotator Cuff Tears: Perspectives from surgery to rehabilitation.
- April 6, 2016 • “Shoulder arthroplasty – Anatomic and Reverse.” Anatomic lab and  
San Diego, CA demonstration. Resident bioskills lectures series, Department of Orthopaedic Surgery, Naval Medical Center San Diego. Resident: Hannah Kirby MD. Staff: Joseph Lynch, MD.
- February 18, 2016 • “Shoulder Instability II: Bone loss, revision and posterior instability.”  
San Diego, CA San Diego Arthroscopy & Sports Medicine Fellowship. Scripps Clinic Carmel Valley, San Diego CA
- February 11, 2016 • “Shoulder Instability I: The basics.”  
San Diego, CA San Diego Arthroscopy & Sports Medicine Fellowship. Scripps Clinic Carmel Valley, San Diego CA

## INVITED LECTURES

*(continued)*

- December 16, 2015 • “Basic shoulder arthroscopy – Anatomic lab and demonstration”  
San Diego, CA Resident bioskills Lectures Series, Department of Orthopaedic Surgery, Naval Medical Center San Diego. Residents: Patrick Morrissey MD & Daniel Houskamp, MD. Staff: Joseph Lynch, MD.
  
- December 2, 2015 • “Basic knee arthroscopy – Anatomic lab and demonstration”  
San Diego, CA Resident Bioskills Lectures Series, Department of Orthopaedic Surgery, Naval Medical Center San Diego. Residents: Patrick Morrissey MD & Daniel Houskamp, MD. Staff: Joseph Lynch, MD
  
- October 21, 2015 • “Shoulder anatomy – cadaveric dissection and surgical approaches”  
San Diego, CA Resident Anatomy Lectures Series, Department of Orthopaedic Surgery, Naval Medical Center San Diego. Residents: Patrick Morrissey MD & Daniel Houskamp, MD. Staff: Joseph Lynch, MD.
  
- October 14, 2015 • “Elbow & brachium – cadaveric dissection and surgical approaches”  
San Diego CA Resident Anatomy Lectures Series, Department of Orthopaedic Surgery, Naval Medical Center San Diego. Residents: Patrick Morrissey MD & Daniel Houskamp, MD. Staff: Joseph Lynch, MD.
  
- October 7, 2015 • “Total and reverse shoulder arthroplasty”  
San Diego CA A cadaveric bioskills session in conjunction with 2015 British Orthopaedic Association Ram Kumar Chatterjee Travelling Fellow. Naval Medical Center San Diego. Visting Fellow: Jeremy Granville-Chapman, MBBS, MD, FRCS (Tr&Ortho), NMCS D Staff: Lucas McDonald, MD & Joseph Lynch, MD.
  
- August 28, 2015 • “Physical examination of the shoulder.”  
San Diego, CA Visting Medical Student Lectures Series, Department of Orthopaedic Surgery, Naval Medical Center San Diego.
  
- July 31, 2015 • “Physical examination of the shoulder.”  
San Diego, CA Visting Medical Student Lectures Series, Department of Orthopaedic Surgery, Naval Medical Center San Diego.
  
- May 13, 2015 • “Shoulder Arthritis: A case-based presentation.”  
San Diego, CA Grand Rounds, Department of Orthopaedic Surgery, Naval Medical Center San Diego. Resident: Nick Lopreiato, MD. Staff: Joseph Lynch, MD.

## INVITED LECTURES

*(continued)*

- March 4, 2015  
San Diego, CA • “Shoulder Instability: A case based approach.”  
Department of Orthopaedic Surgery, Naval Medical Center San Diego & UCSD Department of Orthopedics – Core curriculum lecture series.
  
- February 19, 2015  
San Diego, CA • “Shoulder Instability II: Bone loss, revision and posterior instability.”  
San Diego Arthroscopy & Sports Medicine Fellowship.  
Scripps Clinic Carmel Valley, San Diego CA
  
- February 18, 2015  
San Diego, CA • “The Throwing athlete”  
Department of Orthopaedic Surgery, Naval Medical Center San Diego & UCSD Department of Orthopedics – Core curriculum lecture series.
  
- February 11, 2015  
San Diego, CA • “Shoulder Instability I: The basics.”  
San Diego Arthroscopy & Sports Medicine Fellowship.  
Scripps Clinic Carmel Valley, San Diego CA
  
- December 10, 2014  
San Diego CA • “Basic Shoulder Arthroscopy – Anatomic lab and demonstration”  
Resident Bioskills Series, Department of Orthopaedic Surgery, Naval Medical Center San Diego. Resident: Ryan Ponton, MD. Staff: Joseph Lynch, MD.
  
- October 8, 2014  
San Diego CA • “Elbow & brachium – cadaveric dissection and surgical approaches”  
Resident Anatomy Lectures Series, Department of Orthopaedic Surgery, Naval Medical Center San Diego. Resident: Andrew Bernhardson, MD & Paul Stickels, MD. Staff: Joseph Lynch, MD.
  
- May 21, 2014  
San Diego, CA • “Rotator cuff injuries – a case-based presentation”  
Grand Rounds, Department of Orthopaedic Surgery, Naval Medical Center San Diego. Resident: Dustin Schuett, MD. Staff: Lance LeClere, MD & Joseph Lynch, MD.
  
- February 27, 2014 • “Shoulder Instability II: Bone deficits & revision surgery.”  
San Diego Arthroscopy & Sports Medicine Fellowship.  
Scripps Clinic Carmel Valley, San Diego CA

## INVITED LECTURES

*(continued)*

- October 16, 2013  
San Diego CA

  - “Elbow & brachium – cadaveric dissection and surgical approaches”  
Resident Anatomy Lectures Series, Department of Orthopaedic Surgery, Naval Medical Center San Diego.
  
- October 9, 2013  
San Diego, CA
